

**REMARKS**

Claims 26-47 were pending. Claims 46-47 have been amended. Accordingly, claims 26-47 are pending.

**Allowed Claims**

In the present Office Action, claims 26-45 are allowed. Applicant appreciates the examiner's withdrawal of the prior rejections and allowance of claims 26-45.

In addition to the above, claims 46-47 stand rejected under 35 U.S.C. § 102(e) as being anticipated by U.S. Patent No. 6,637,032 ("Feinleib"). Applicant has amended each of claims 46 and 47 to include the subject matter deemed allowable by the examiner. In particular, claim 46 (and similarly 47) has been amended to recite:

“in response to detecting said program is to be stored for deferred playback:  
storing a first data object of said one or more data objects on a mass  
storage device, in response to detecting said first data object is a  
non-live data object; and  
storing a reference to a second data object of said one or more data objects  
on said mass storage device, in response to detecting said second  
data object is a live data object.”

Accordingly, Applicant believes all claims to be in condition for allowance. Should the examiner believe otherwise, the below signed representative would appreciate a telephone call (512) 853-8866 in order to facilitate a quick resolution.

**CONCLUSION**

Applicant submits the application is in condition for allowance, and an early notice to that effect is requested.

If any extensions of time (under 37 C.F.R. § 1.136) are necessary to prevent the above referenced application(s) from becoming abandoned, Applicant(s) hereby petition for such extensions. If any fees are due, the Commissioner is authorized to charge said fees to Meyertons, Hood, Kivlin, Kowert, & Goetzel, P.C. Deposit Account No. 501505/5266-03001/RDR.
